25X1

3. On 2 August, part of new construction at the annunition depot near Earth had been completed at a cost of 12,000 25X1 part of new constructions eastmarks. I total of 49,231 eastmarks was appropriated for an unidentified project in Darsser Ort. 25X1 4. On k August, the following military installations on the zonal border were 95 percent completed: Compl Creven, Schlagsdorf. The installations in Darchau, Dassow and Herrnburg, were 100 percent completed, those in Larienberg near tenzen and in Zarrentin 25X1 were 15 percent completed. One officers' house each was completed in Formitz, Forst, Grever, Schlagsdorf, Darchau, Passow and Herrnburg at a cost of 11,604 eastrarks each. The barbed-wire fences around the installations were scheduled to be completed by mid-August. The installations were not occupied by personnel. Their capacity was about 1,000 persons each. The watchtowers were completed. guard detail on the Elbe River near Darchau which was subordinate to furnished with a new cooling system. The headquarters of this detail was located in Midena. (3) 25X1 Cn 31 July, the bakery in Dranse at the Schweinrich (N 5h/b 22) training area was completed at a cost of 20,000 eastmarks. On 31 July, 25X1 effective 1 october, ne German personnel were to be employed at the barracks installations. Beginning 6 August, courses would be held for the troops of the posts in Schwerin, Farchim, Ludwigslust and Wismar. Practical instruction was given at the barracks installations in Schwerin. German master-craftsmen assisted by interpreters were scheduled to train 200 soldiers as firemen, 64 soldiers as electricians and 58 soldiers as plumbers. The trainces were quartered at 5 hagenowerstrasse, between, for the duration of the course. (h) 25X1 ${\tt Cornents}$. The appropriations for projects for the Soviet Army tend to indicate that 25X1 Soviet troops will possibly remain permanently on Ruegen Island. The officers mentioned are unknown. (5)25X1 the military bases installations menuioned are located on the zonal border and in Mocklenburg and are hipown from provious reports. The planned occupations as indicated too high. (h) The planned discharge of Derman auxiliary personnel in the fall of 1992 as well as the replacement of Germans by Soviet soldiers, was previously
